

Dance A Level

What will happen in my first week?

You will start to develop your performance and choreographic skills and reflect on your own creative processes. This will be further supported by critically analysing existing dance repertoire in order to then develop your own understanding.

What can I look forward to in my first year?

Dance A Level encourages creativity, imagination and analysis of your own and professional dancers. You will engage in theory as well as practical sessions to enhance your skill set. The course involves many exciting trips both within the UK and abroad.

Do I need to buy any equipment or kit?

You should purchase comfortable clothing for dance including leotards, leggings and dance tights. You do not need to purchase dance shoes as most of the work we do will be barefoot.

Who will teach me?

Sharon is our highly experienced specialist A Level Dance teacher

What will I study in my first term?

You will learn performance techniques and build your choreographic skills in your practical sessions and learn about the origins of American Modern Dance in your theory lessons.

Are there any books I need to buy or useful websites I should look at?

- A highly recommended book to support your studies is 'The Vision of Modern Dance' Edited by J.M. Brown, N. Mindlin & C.H. Woodford
- There are further resources available at www.rambert.org.uk
