

Geography A Level

What will happen in my first week?

You will start with the coasts topic by discussing what you already know from GCSE especially focusing on the formation of the different coastal landforms such as beaches, spits, wave cut platforms and cave/arch/stack/stumps.

What can I look forward to in my first year?

Geography is a vibrant and exciting subject with many new and up to date concepts. Many of the topics you have already studied at GCSE will simply be built upon with detail. You will go on a range of trips including Formby sand dunes, Risley Moss and Manchester CBD.

Do I need to buy any equipment or kit?

Please bring your own folder, dividers, lined paper, pens and highlighters. You will often use I pads or your phone to complete quizzes, research and geographical games.

Who will teach me?

We have highly experienced specialist Geography teachers: Sarah, Dan, Rosie and Nicola

Which modules will I study in my first term?

You will study Coasts and Changing Places building on your GCSE knowledge and understanding.

Are there any books I need to buy or useful websites I should look at?

Why not get ahead of the class and read up on coasts. This is a brilliant website which gives a good overview of the topic:- <https://geographyas.info/#coasts>

Our exam board (EDUQAS) have a range of online resources on the website including digital wider reading
