

Public Services L2

What will happen in my first week?

Induction week will consist of meeting your new tutors and future class members. In your first week you will participate in a variety of practical activities, designed to develop your team working skills and an initial assessment to understand your current knowledge and skills we can build on throughout the year.

Which units will I study

The Role and Work of the public services (exam)

Working Skills in the Public Services

Health, Fitness and Lifestyle for the Public Services

Citizenship, Society and the Public Services (exam)

Crime and its Effects of Society and Individuals

Law and its Impact on the Individual

Land Navigation by Map and Compass

Multi-Day Expedition Experience

What will my timetable look like?

You will be in college for 3 days a week. During that time, you will spend time in gym, sports hall, field and classroom developing the theoretical and practical skills to equip you with the knowledge and skills required to work in the public service sector.

You will be required to complete some work experience and carry out voluntary work when required.

You will also have a 1-hour tutorial session with your assigned Personal Tutor who will cover your tutorial times. This will support you meeting your goals, prepare you for the world of work and help you to develop your CV. Your Personal Tutor will also help you manage your workload with an individual learning plan.

You will also spend time in the classroom learning the theory behind the subject and preparing for your assessments and working on your assignment briefs.

You will spend 2½ hours in Maths and 2½ hours in English working on improving your grades in these subjects unless you have passed your GCSE's to a grade 4 already.

What can I look forward to on this course?

This exciting 1-year course is designed to equip you with the necessary skills and knowledge to enter a career within the uniformed protective services. Alternatively, the course will also help you gain entry onto our Level 3 Extended Diploma in Uniformed Protective Services or other Level 3 courses should you wish to stay in education for longer than just one year. You will study a range of interesting subjects some theoretical and some practical. As part of your studies, you will learn new skills such as team working, problem solving and leadership skills. You should expect to take part in fitness activities as part of the course, as well as enrichment activities. Guest speakers from public services visit us at the college and you will also have some opportunities to visit them.

Do I need to buy any equipment or kit?

You will need a bag for each day with a note pad, pens and pencils in with practical kit. Public Services Uniform – further details will be provided on enrolment; however, you can access the below link to view the uniform. <https://www.macronstorenw.co.uk/create/Sports-Public-Services?c=7112701>
